IN MEMORIAM

IN sad but loving remembrance of our wife and mother, Myrtle M. Guill, who departed this life three years ago today, January 29, 1970.

We do not need a special day, to bring you to our minds; The days we do not think of you, Are very hard to find.

Some day, some time,
Our eyes shall see;
The face we loved so well,
Some day we'll clasp her
loving hand,
And never say farewell.

Sadly missed by
Husband and children.

PAULETTE — In loving memory of my husband, Clifton J. Paulette, who passed away eight years ago, February 2, 1962. Our memories never die,
As years roll on and days go by.

Supervisor For 1970 Census Is Appointed

Appointment of Mrs. Barbara R. Aldridge of Hopewell, as District Manager of the 1970 U. S. Census of Population and Housing in this area has been announced by Director Joseph R. Norwood of the Census Bureau's Regional Office in Charlotte, N.C.

A native of Massachusetts, Mrs. Aldridge was educated in the public schools of the state and received her B.A. degree from the University of North Carolina at Chapel Hill. She has been employed in the radio and advertising fields, and her civic activities in this area of Virginia are almost too numerous to mention. Among them, however, are President of the Woman's Club of Hopewell, and moderator of programs on radio and television for community projects, health and United Fund drives. In addition, Mrs. Aldridge is a member of St. John's Episcopal Church, and serves in the choir and Alter Guild of that Church.

From the District Office located at 12 N. Union St., Petersburg, Mrs. Aldridge will supervise all phases of the census in the following counties: Amelia, Appomattox, Brunswick, Buckingham, Cumberland Dinwiddie, Fluvanna, Goochland, Greensville, Isle of Wight, Louisa, Lunenburg, Nansemond Nottoway, Powhatan, Prince Edward, Prince George, Southampton, Surry and Sussex. Also, the independent cities of Colonial Heights, Emporia, Franklin, Hopewell, Petersburg, and Suffolk.

On January 26, following several days of intensive training in the Regional Office, Mrs. Aldridge went on duty and began setting up the District Office. She will direct a force of about 383 field workers throughout the area.

Taking the Census nationally will require the services of 172,000 field workers, 393 District Managers, and 13,000 office personnel.

He said that with snakes crawling out from their hide-outs it was a "sure sign of spring," but he considers it a fine snake out anywhere in this area this early in the year.
